"Song of the Reed " is a video documentary about Taiwanese comfort women with English subtitles. It records history of comfort women, filmed during 2011-2012, and completed in 2013. In the film, six Taiwanese comfort women were interviewed. The name of the film was from **Bible**: Isaiah:42:3 :?"A bruised **reed** He will not break, a smoldering wick He will not snuff out, He will faithfully bring forth justice." Ms. Kang Shu Hua , the executive director of TWGF, indicated that although **the** Japanese government failed to compensate their claims, Taiwanese comfort women still insist on denouncing Japan. Many people do not know about the tough lives of those women, so the foundation decided to produce this documentary. This film is not only a history record showing the results of the Japanese brutality, but also serves as a healing to Taiwanese comfort women's tough experience. The young generation will know the history and are willing to fight for justice with future generation.
